## JANUARY THROUGH DECEMBER, 1969

Vol. 32, Nos. 1-12

Each listing shows title of major article (asterisked) or short item, date of issue, and page number. Back copies of RN may be purchased, while the supply lasts, at 75¢ each.

### ALCOHOLISM

Even moderate drinking said to damage brain. Jan. 23  
Alcoholics sobered fast with hemodialysis. May 21  
\*Progress report: the battle of the bottle. June 49

### ALLIED PROFESSIONS

M.D.s move to avoid car license policing role. Jan. 26

### AWARDS

\*First-award winner in RN's student writing contest: Death and me. Sept. 51  
\*Second-award winner in RN's student writing contest: Mirrors are for breaking. Oct. 42  
\*Third-award winner in RN's student writing contest: Care of a young patient with paraplegia. Nov. 48

### BLOOD

Blood substance linked to schizophrenia. Jan. 25  
\*Drug therapy today: Drugs that reduce blood cholesterol. Feb. 77  
Missing enzyme triggers one type of anemia. Feb. 32  
\*Drug therapy today: Drugs that affect blood coagulation, Part I. June 59  
Three-minute test marks sickle hemoglobin. June 24  
\*Drug therapy today: Drugs that affect blood coagulation, Part II. July 59  
Suicide proneness may be chemically indicated. Sept. 28  
\*The wonderful world of U. Oct. 47  
Birth control pills: "safe," but—, Nov. 25

### CANCER

Asbestos in the lungs of half the population? Feb. 27  
\*"Mr. Jones, your wife has cancer." Mar. 44  
What's the prime health hazard in the U.S.? Mar. 19  
Laymen's group encourages mastectomy patients. June 23  
Cervical cancer may occur most among urban poor. Oct. 26  
Two kinds of genetically caused breast cancer? Oct. 23

### CARDIOVASCULAR SYSTEM

Coming attraction: film on heart transplants. Jan. 24  
New test helps predict myocardial infarction. Jan. 26  
Potential hazard cited in use of dextran. Jan. 25  
\*Drug therapy today: Drugs that reduce blood cholesterol. Feb. 77  
Hearts get new life from leg veins. Feb. 27  
Is baby food related to infant hypertension? Feb. 104

Long-term sitting can bring on embolism. Feb. 30

\*The ABCs of C.V.P. measurement. Mar. 34  
C.C.U. patients maintain optimism, M.D. finds. Mar. 22  
Some children harmed by femoral catheterizing. Mar. 22  
Strep antibodies: possible clue to heart damage. Mar. 24  
What's the prime health hazard in the U.S.? Mar. 19  
Alcoholics sobered fast with hemodialysis. May 21  
Balloon booster pump for heart to have wide test. May 24  
\*Drug therapy today: Drugs for managing high blood pressure. May 73  
Certain psychotherapeutic drugs may affect heart. July 21  
Insulin response may hint at stroke likelihood. July 21  
\*Dial 911 for the coronary ambulance. Aug. 48  
\*Visit to an organ-transplant center. Sept. 38  
Cardiovascular deaths and soft water related? Oct. 28  
Helium reduces cardiac arrhythmia in dogs. Oct. 23

### COMMUNICABLE DISEASE

Acid secretion attracts yellow-fever carrier. Mar. 24  
Gonorrhea is on the rise; syphilis declines. Mar. 22  
Mumps in pregnancy may harm infant's heart. May 24  
Chlorine bleach shown as effective virucide. Aug. 24  
M.D.s warned to watch for schistosomiasis here. Oct. 24  
Nursing tip: Menus for isolation patients. Oct. 83  
\*An RN refresher: Care of the child with meningitis. Oct. 45  
Rubella shots on the way to avert 1970 upsurge. Oct. 23  
Live polio virus provides double protection. Nov. 25

### DEATH

M.D. offers explanation for "crib death." Jan. 23  
Crib deaths may be due to acute spinal injuries. Sept. 23  
\*First-award winner in RN's student writing contest: Death and me. Sept. 51

### DENTAL PROBLEMS

Researchers are skeptical of teeth "whiteners." Feb. 27  
"Dental problems can come from emotional ones." Mar. 19  
\*Hospitalized dental patients: the nurse's role. Apr. 52  
Dentures do tend to fit better in the morning. Sept. 23

### DIAGNOSTIC TECHNIQS

Heroin addicts suffer lung damage. Jan. 26  
New test helps predict myocardial infarction. Jan. 26

X-ray diagnosis used for lipodystrophy. Mar. 118  
Cystic fibrosis detection speeded by new method. Apr. 30  
Doctors can now look more, cut less. Apr. 23  
Three-minute test marks sickle hemoglobin. June 24  
Insulin response may hint at stroke likelihood. July 21  
Ultrasonics helps tell cysts from tumors. July 21  
Angiogram dyes found to harm infant kidneys. Dec. 23

### DRUGS

Heroin addicts suffer lung damage. Jan. 26  
Potential hazard cited in use of dextran. Jan. 25  
What's new in drugs. Jan. 75; Mar. 65; Apr. 75; May 105; June 65; July 75; Sept. 93; Oct. 77; Dec. 71  
Aspirin may harm stomach cells in two ways. Feb. 27  
\*Drug therapy today: Drugs that reduce blood cholesterol. Feb. 77  
Missing enzyme triggers one type of anemia. Feb. 32  
Do common analgesics damage kidneys? Mar. 20  
\*Drug therapy today: Drugs used in organ transplants. Mar. 53  
Dietetic sweetener found to block antibiotic. Apr. 28  
\*Drug therapy today: Preventing and treating skin-sun reactions. Apr. 63  
Rise in blood clot deaths noted since "the pill." Apr. 31  
\*Drug therapy today: Drugs for managing high blood pressure. May 73  
Nursing tip: Cryotherapy with Zephiran. May 69  
Oral administration best for aminophylline? May 21  
\*An RN refresher: Effective use of antiseptics and disinfectants. May 48  
\*Drug therapy today: Drugs that affect blood coagulation, Part I. June 59  
Expectant mothers warned to limit aspirin. June 26  
Certain psychotherapeutic drugs may affect heart. July 21  
DDT pollution may reduce potency of drugs. July 21  
\*Drug therapy today: Drugs that affect blood coagulation, Part II. July 59  
Hexachlorophene suspected in burn complications. July 24  
\*Recognizing the drug abuser. July 44  
\*Drug therapy today: Clinical pharmacist: new member of the health team. Aug. 57  
\*Drug therapy today: The corticosteroids. Sept. 69  
Beware of drug potentiation with diabetics, he warns. Oct. 26  
\*Drug therapy today: The antibiotics and their use. Oct. 57  
\*Drug therapy today: Advances in treating parkinsonism. Nov. 59

## Subject index

Low-calorie "cream" held to have harmful fats. Nov. 25  
 \*Drug therapy today: Drugs used in the C.C.U. Dec. 53  
 New "pill" free of most adverse side effects? Dec. 23

### ECONOMIC SECURITY

\*Should nurses "strike"? A test case in Georgia. June 38

### EDITORIALS

Memo from the editor. Jan. 9; Feb. 9; Mar. 9; Apr. 9; May 9; June 9; July 9; Aug. 9; Sept. 9; Oct. 7; Nov. 9; Dec. 9  
 RN's writing contest for senior student nurses. Jan. 21; Feb. 35; Mar. 73; Apr. 35; Aug. 68  
 Careers in nursing: A guide through the forest. Feb. 37

### EDUCATION

Coming attraction: film on heart transplants. Jan. 24  
 Worth your attention. Jan. 64; Mar. 69; May 80; June 67; Aug. 67; Oct. 73; Dec. 63  
 \*Careers in nursing: Teaching, 1,700 jobs are begging. Feb. 54  
 R.N.s get tape-recorded instruction via phone. Feb. 27  
 \*M.E.T.s—a new type of R.N. Mar. 40  
 \*TV teaching—how it helps nursing students and R.N.s. Mar. 28  
 \*Nursing is making progress! Apr. 56  
 Student nurses lacking in knowledge of diabetes? Apr. 26  
 \*What R.M.P. means to nurses and nursing. July 50  
 \*Is there a nurse-clinician job in your future? Aug. 34  
 Ambulance service: Is it adequate in your area? Sept. 23  
 Make psychiatric aides of some retired workers? Sept. 24  
 Diploma schools get grant to upgrade faculties. Oct. 24  
 M.D.s warned to watch for schistosomiasis here. Oct. 24  
 Ex-medics begin working as M.D.s' assistants. Nov. 26  
 "Take a refresher? Of course!" Dec. 48

### EENT SYSTEM

"Come and see what happened to me." Jan. 42  
 Link found between early use of vision, reading. Mar. 19  
 Scientist holds reading a major cause of myopia. Apr. 28  
 \*Noise, the underrated health hazard. May 40  
 Freezing lessens vertigo, doesn't harm hearing. June 28  
 Pressure-sensitive cloth helps protect lepers. June 25  
 Do you know how to remove contact lenses? Aug. 23  
 Incubator noise said near danger level. Aug. 25

### EMERGENCY

Long-term sitting can bring on embolism. Feb. 30  
 \*M.E.T.s—a new type of R.N. Mar. 40  
 M.D. urges nearly-drowned be sent to hospital. Apr. 23  
 Badly equipped ambulances blamed for many deaths. June 23  
 Beware hazard of alcohol sponge bath, says M.D. Aug. 23  
 \*Dial 911 for the coronary ambulance. Aug. 48  
 Ambulance service: Is it adequate in your area? Sept. 23  
 \*The wonderful world of U. Oct. 47

### EQUIPMENT

\*The ABCs of C.V.P. measurement. Mar. 34  
 Portable meter measures I.V. flow rate. Mar. 22  
 Mechanical torso-thumper clears clogged bronchi. Apr. 23  
 \*Nursing is making progress! Apr. 56  
 Alcoholics sobered fast with hemodialysis. May 21  
 Balloon booster pump for heart to have wide test. May 24  
 1,200 electrocuted yearly in hospitals, he says. May 21  
 Badly equipped ambulances blamed for many deaths. June 23  
 Nursing tip: For the walker user. Sept. 66  
 She urges Federal control of equipment industry. Nov. 25  
 \*Whatever happened to hyperbaric medicine? Nov. 50

### FETOLOGY

Mumps in pregnancy may harm infant's heart. May 24  
 Expectant mothers warned to limit aspirin. June 26  
 How smoking may harm the fetus: new data found. Sept. 23  
 30-pound gain may be O.K. in pregnancy. M.D. says. Sept. 27  
 "We'd cook without MSG if my wife were pregnant." Sept. 27

### GENETICS

\*When your patient is a stutterer. Apr. 48  
 Two kinds of genetically caused breast cancer? Oct. 23  
 \*Genetic counseling: heading off birth tragedies. Nov. 38

### GERIATRICS

\*Drug therapy today: Drug precautions with geriatric patients. Jan. 51  
 \*How rosy the golden years? Jan. 32  
 \*Careers in nursing: Nursing homes, new image, new opportunities. Feb. 50  
 Phone service gives bed data on nursing homes. Apr. 30  
 Falls are main killer in accidents to elderly. May 26  
 Tailor-made exercise best for aged, says expert. June 24  
 Dentures do tend to fit better in the morning. Sept. 23  
 Make psychiatric aides of some retired workers? Sept. 24  
 Nursing tip: For the walker user. Sept. 66

### G.I. TRACT

Doctors urge caution with postgastrectomy diets. Jan. 30  
 Aspirin may harm stomach cells in two ways. Feb. 27  
 Daily enema may obviate surgery for colitis. Mar. 21  
 "Natural pacemaker" may control the stomach. Apr. 23  
 \*Current concepts of stomal care. June 52  
 "I'm pioneering to help others." Oct. 50

### GLANDULAR SYSTEM

Student nurses lacking in knowledge of diabetes? Apr. 26  
 Insulin response may hint at stroke likelihood. July 21  
 \*Ketosis: condition critical. Aug. 45  
 Beware of drug potentiation with diabetics, he warns. Oct. 25  
 "I'm pioneering to help others." Oct. 50

### GOVERNMENT AGENCIES (CIVILIAN)

\*What R.M.P. means to nurses and nursing. July 50

She urges Federal control of equipment industry. Nov. 25

### G.U. TRACT

Potential hazard cited in use of dextran. Jan. 25  
 \*Surgical correction of urethral-hymenal fusion. Jan. 63  
 Blue Cross may cover home dialysis cost. Feb. 32  
 Do common analgesics damage kidneys? Mar. 21  
 Gonorrhea is on the rise; syphilis declines. Mar. 22  
 Nursing tip: To avoid a voiding problem. Mar. 22

### HOSPITALS

\*Careers in nursing: The hospital, where the action still is. Feb. 38  
 A.H.A. defines role of nurses; A.N.A. sees "no major objections." Apr. 60  
 Phone service gives bed data on nursing homes. Apr. 30  
 1,200 electrocuted yearly in hospitals, he says. May 21  
 Study shows reactions of burned child's parents. May 21  
 Hire military medics for some R.N. duties? June 30  
 \*Drug therapy today: Clinical pharmacist: new member of the health team. Aug. 57  
 R.N.s and patients like four-meal routine. Aug. 23  
 \*Whatever happened to hyperbaric medicine? Nov. 50  
 New nursing home layout to make care easier. Dec. 23

### HUMOR

\*The mice with the colored whiskers. May 46  
 \*Doctors I've known—and you have, too. July 49  
 \*Nurses I've known—and you have, too. July 48

### INSPIRATION

\*The little kite girl. Mar. 38  
 \*Morning of decision. Apr. 46  
 \*Saga of a pumpkin pie. Nov. 56  
 \*The Christmas gift. Dec. 36

### INSURANCE AND TAXES

Blue Cross may cover home dialysis cost. Feb. 32  
 Coming: credit card for all medical expenses. Oct. 28

### INTEGUMENTARY SYSTEM

\*Drug therapy today: Preventing and treating skin-sun reactions. Apr. 63  
 Nursing tip: Cryotherapy with Zephiran. May 69  
 \*An R.N. has a face-planing. May 62  
 Maybe we're encouraging too much washing! June 23  
 Hexachlorophene suspected in burn complications. July 22

### LEGAL

Legal pointers. Jan. 60; Apr. 73; May 96; June 73; Aug. 62; Dec. 61  
 \*Your legal liability when supervising. Jan. 44  
 \*Legally hazardous areas of O.R. nursing. May 87

### MEDICAL NURSING

\*Careers in nursing: The hospital, where the action still is. Feb. 38  
 Tube feeding may cause dehydration. Mar. 24

### MILITARY SERVICES

\*Careers in nursing: Government service, the structured life. Feb. 60

Hire military medics for some R.N. duties? June 23  
 \*Navy nursing: Dull it definitely is not! July 54  
 "New look" for Army R.N.s. Sept. 23  
 \*Air Force flight nurse: The world is their ward. Oct. 36  
 Ex-medics begin working as M.D.s' assistants. Nov. 26

#### NERVOUS SYSTEM

Even moderate drinking said to damage brain. Jan. 23  
 Guilt feelings linked to migraine headaches. Mar. 21  
 \*When your patient is a stutterer. Apr. 48  
 Rare skull cyst may cause childhood epilepsy. May 26  
 Hexachlorophene suspected in burn complications. July 22  
 Insulin response may hint at stroke likelihood. July 21  
 Suicide proneness may be chemically indicated. Sept. 28  
 \*An RN refresher: Care of the child with meningitis. Oct. 45  
 \*Drug therapy today: Advances in treating parkinsonism. Nov. 59  
 \*Third-award winner in RN's student writing contest: Care of a young patient with paraplegia. Nov. 48

#### NURSE INFORMATION-PUBLICITY

\*On to Montreal and the world of nursing. May 60  
 \*What R.M.P. means to nurses and nursing. July 50  
 Mandatory reporting of child abuse spreads. Aug. 23  
 "New look" for Army R.N.s. Sept. 23  
 "I'm pioneering to help others." Oct. 50

#### NURSE-PATIENT RELATIONS

\*The ABCs of C.V.P. measurement. Mar. 34  
 "Mr. Jones, your wife has cancer." Mar. 44  
 \*Morning of decision. Apr. 46  
 \*When your patient is a stutterer. Apr. 48  
 \*Narcotics addicts need nurses! July 36  
 \*Ketosis: condition critical. Aug. 45  
 \*The case for parent-child nursing. Sept. 80  
 "Please don't turn me off!" Oct. 52  
 \*Billy needs to play. Dec. 38  
 \*Parents on pediatrics: problem or pleasure? Dec. 44

#### NURSING SPECIALTIES

\*How rosy the golden years? Jan. 32  
 \*Careers in nursing: Government service, the structured life. Feb. 60  
 \*Careers in nursing: The hospital, where the action still is. Feb. 38  
 \*Careers in nursing: Industrial nurse, working with workers. Feb. 58  
 \*Careers in nursing: Nursing homes, new image, new opportunities. Feb. 50  
 \*Careers in nursing: Office nurse, the good right arm. Feb. 64  
 \*Careers in nursing: Private duty nursing, the lively corpse. Feb. 52  
 \*Careers in nursing: Public health nurse, a community asset. Feb. 42  
 \*Careers in nursing: School nurse, and teacher too. Feb. 46  
 \*Careers in nursing: Teaching, 1,700 jobs are begging. Feb. 54  
 \*Neighborhood nurse—new style. May 54  
 \*Navy nursing: Dull it definitely is not! July 54  
 \*Is there a nurse-clinician job in your future? Aug. 34  
 \*Now: nationwide, worldwide in-flight nursing service. Sept. 65  
 \*School nurse, or "Here we go again!" Sept. 54

\*Air Force flight nurse: The world is their ward. Oct. 36

#### NURSING TECHNICS

\*Poetry seen as boon to mentally ill. Jan. 24  
 \*The ABCs of C.V.P. measurement. Mar. 34  
 "Mr. Jones, your wife has cancer." Mar. 44  
 Nursing tip: To avoid a voiding problem. Mar. 80  
 \*Poetry as a bridge to the lost. Mar. 46  
 Portable meter measures I.V. flow rate. Mar. 22  
 M.D. urges nearly-drowned be sent to hospital. Apr. 23  
 Nursing tip: Cryotherapy with Zephiran. May 69  
 \*Narcotics addicts need nurses! July 36  
 Nursing tip: "Therapeutic" popsicle. Aug. 64  
 Specially trained nurses reduce septicemia risk. Aug. 23  
 \*When your O.B. patient is in the I.C.U. Aug. 47  
 \*The case for parent-child nursing. Sept. 80  
 Nursing tip: For the walker user. Sept. 66  
 Nursing tip: Menus for isolation patients. Oct. 83  
 \*Relaxation—aid to recovery. Dec. 46

#### NUTRITION

Doctors urge caution with postgastrectomy patients. Jan. 30  
 Is baby food related to infant hypertension? Feb. 104  
 "Chinese food syndrome": the culprit unmasked. June 26  
 R.N.s and patients like four-meal routine. Aug. 23  
 "We'd cook without MSG if my wife were pregnant." Sept. 27  
 Low-calorie "cream" held to have harmful fats. Nov. 25

#### OPERATING ROOM

Sponge counts checked by new X-ray procedure. Jan. 23  
 \*Legally hazardous areas of O.R. nursing. May 87  
 \*Visit to an organ-transplant center. Sept. 38

#### ORGANIZATIONS

R.N.s get tape-recorded instruction via phone. Feb. 27  
 A.H.A. defines role of nurses; A.N.A. sees "no major objections." Apr. 60  
 \*On to Montreal and the world of nursing. May 60  
 \*Should nurses "strike"? A test case in Georgia. June 38  
 \*Should nurses "strike"? Readers sound off. Sept. 48  
 Coming: credit card for all medical expenses. Oct. 28

#### PEDIATRICS

"Come and see what happened to me." Jan. 12  
 M.D. offers explanation for "crib death." Jan. 23  
 \*Careers in nursing: School nurse, and teacher too. Feb. 46  
 Is baby food related to infant hypertension? Feb. 104  
 Daily enema may obviate surgery for colitis. Mar. 21  
 Link found between early use of vision, reading. Mar. 19  
 Some children harmed by femoral catheterizing. Mar. 22  
 Cystic fibrosis detection speeded by new method. Apr. 30  
 Growth spurt causes skull sutures to widen. Apr. 23  
 Mechanical torso-thumper clears clogged bronchi. Apr. 23

\*When your patient is a stutterer. Apr. 48  
 Mumps in pregnancy may harm infant's heart. May 24  
 Rare skull cyst may cause childhood epilepsy. May 26  
 Study shows reactions of burned child's parents. May 21  
 Chlorine bleach shown as effective virucide. Aug. 24  
 Incubator noise said near danger level. Aug. 25  
 Mandatory reporting of child abuse spreads. Aug. 23  
 Nursing tip: "Therapeutic" popsicle. Aug. 64  
 \*The case for parent-child nursing. Sept. 80  
 Crib deaths may be due to acute spinal injuries. Sept. 23  
 \*School nurse, or "Here we go again!" Sept. 54  
 "I'm pioneering to help others." Oct. 50  
 \*An RN refresher: Care of the child with meningitis. Oct. 45  
 Rubella shots on the way to avert 1970 upsurge. Oct. 23  
 Live polio virus provides double protection. Nov. 25  
 Angiogram dyes found to harm infant kidneys. Dec. 23  
 \*Billy needs to play. Dec. 38  
 \*Parents on pediatrics: problem or pleasure? Dec. 44

#### PICTURE STORIES

\*Natural childbirth: a "most thrilling experience." Apr. 40  
 \*Neighborhood nurse—new style. May 54  
 \*Air Force flight nurses: The world is their ward. Oct. 36

#### PREVENTIVE MEDICINE

\*Careers in nursing: Public health nurse, a community asset. Feb. 42  
 Reminder: Tube feeding may cause dehydration. Mar. 24

#### PROFESSIONAL AFFAIRS

Groups agree on R.N.s' immunization role. Jan. 23  
 \*Our medical abbreviations are Q.N.S.! Jan. 48  
 \*Your legal liability when supervising. Jan. 44  
 \*Careers in nursing: Administration, climbing the paper mountain. Feb. 44  
 \*Careers in nursing: The hospital, where the action still is. Feb. 38  
 \*Men in nursing. Feb. 82  
 A.H.A. defines role of nurses; A.N.A. sees "no major objections." Apr. 60  
 \*The mice with the colored whiskers. May 46  
 \*Should nurses "strike"? A test case in Georgia. June 38  
 \*Should nurses "strike"? Readers sound off. Sept. 48

#### PSYCHIATRY

Blood substance linked to schizophrenia. Jan. 25  
 Is smoking a habit or an addiction? Feb. 28  
 \*Poetry as a bridge to the lost. Mar. 46  
 \*Maternal emotions and their implications in nursing. Apr. 38  
 \*When your patient is a stutterer. Apr. 48  
 Study shows reactions of burned child's parents. May 21  
 \*Progress report: the battle of the bottle. June 40  
 Certain psychotherapeutic drugs may affect heart. July 21  
 Make psychiatric aides of some retired workers? Sept. 24  
 \*Second-award winner in RN's student writing contest: Mirrors are for breaking. Oct. 42

## Subject index

K.F. outdoes T.L.C. for depression. Dec. 29  
Rural nurses fill in for psychiatrists. Dec. 29

### PSYCHOLOGY

Guilt feelings linked to migraine headaches. Mar. 21

### PUBLIC HEALTH

Groups agree on R.N.s' immunization role. Jan. 23  
M.D.s move to avoid car license policing role. Jan. 26  
Asbestos in the lungs of half the population? Feb. 27  
\*Careers in nursing: Government service, the structured life. Feb. 60  
\*Careers in nursing: Industrial nurse, working with workers. Feb. 58  
\*Careers in nursing: Public health nurse, a community asset. Feb. 42  
\*Careers in nursing: School nurse, and teacher too. Feb. 46  
Acid secretion attracts yellow-fever carrier. Mar. 24  
Gonorrhea is on the rise; syphilis declines. Mar. 22  
\*M.E.T.s—a new type of R.N. Mar. 40  
What's the prime health hazard in the U.S.? Mar. 19  
\*Drug therapy today: Preventing and treating skin-sun reactions. Apr. 63  
Almost 400 radium losses, thefts are reported. May 21  
\*Neighborhood nurse—new style. May 54  
\*Noise, the underrated health hazard. May 40  
\*What R.M.P. means to nurses and nursing. July 50  
Chlorine bleach shown as effective virucide. Aug. 24  
Cervical cancer may occur most among urban poor. Oct. 26  
Hazard of color TV X-rays seen as underestimated. Oct. 23  
M.D.s warned to watch for schistosomiasis here. Oct. 24  
Rubella shots on the way to avert 1970 upsurge. Oct. 23  
M.D. calls two strikes on cigarette filters. Nov. 25  
She urges Federal control of equipment industry. Nov. 25

### RADIOLOGY AND RADIO THERAPY

X-ray diagnosis used for lipodystrophy. Mar. 20  
Almost 400 radium losses, thefts are reported. May 21  
Ultrasonics helps tell cysts from tumors. July 21  
Hazard of color TV X-rays seen as underestimated. Oct. 23  
Preoperative radiation: help or hindrance? Nov. 26

### RECRUITMENT

\*Soul nurse, or—recruiters "tell it the way it is, baby." Mar. 36

### REHABILITATION

\*Helping the disabled: Remember vocational rehab! Jan. 46  
\*Current concepts of stomal care. June 52  
Laymen's group encourages mastectomy patients. June 23  
\*Narcotics addicts need nurses! July 36  
Nursing tip: For the walker user. Sept. 66  
\*Third-award winner in RN's student writing contest: Care of a young patient with paraplegia. Nov. 48

### REPRODUCTIVE SYSTEM

\*Figure control for your postpartum patient. Jan. 38

Study refutes many myths about unwed mothers. Jan. 23

\*Surgical correction of urethral-hymenal fusion. Jan. 63  
Delivery day: He says it's estimated incorrectly. Mar. 19  
Doctors can now look more, cut less. Apr. 23  
\*Maternal emotions and their implications in nursing. Apr. 38  
\*Natural childbirth: a "most thrilling experience." Apr. 40  
Rise in blood clot deaths noted since "the pill." Apr. 31  
Mumps in pregnancy may harm infant's heart. May 24  
Expectant mothers warned to limit aspirin. June 26  
Laymen's group encourages mastectomy patients. June 23  
One cause of faintness in pregnancy suggested. June 25  
Coloratura to mezzo: Is "the pill" to blame? July 22  
\*Special delivery. Aug. 52  
\*When your O.B. patient is in the I.C.U. Aug. 47  
How smoking may harm the fetus: new data found. Sept. 23
